CHRIST CHURCH WEDDING

Originally from the Lost Villages of Moulinette, but now a well know landmark within Upper Canada Village, Christ Church was built in 1837 in an aesthetic style know as Picturesque. Although the building reflects the sense of order, symmetry and balance that were the hallmarks of 18th century classicism, the pointed Gothic window arches and decorative trim on the tower add a romantic touch to the building, making it a delightful and charming historic setting for your special day.

- Christ Church is situated in Upper Canada Village, an 1860s setting which means that it has no lights. There is one electrical outlet available for the use of electrical equipment. Therefore, plan accordingly to enjoy daylight hours for your ceremony.
- The church can be rented between **May 21st and September 29th**. During the operating season weddings can take place before 9:30 a.m. or after 5:30 p.m.
- Please note that during the last two weeks of September set-up for Upper Canada Village's fall event Pumpkinferno takes place. During this time the site becomes a unique and artistic landscape of 6,000 hand-carved pumpkins which are lit for tours in the evening from 6:00 p.m. until 10:00 p.m. so take note of the fact that the event may be partially set-up during this time period.
- Christ Church can hold a maximum of 125 people (Covid19 protocols will be followed).
- Rental cost for the church is \$825.00 (*plus HST*) for the church rental only. It is your responsibility for all other preparations such as flowers, minister, dresses and clean-up after the ceremony. Please designate one person to begin removing all items from the Church as soon as the ceremony/Church photos conclude so that the Church can be locked.
- *Candles are **not** permitted. The use of rose petals, rice or confetti is also **not** permitted. Water is not permitted in flower vases. Food and drink is not permitted inside the building (only water in bottles that can be closed).*
